Preparation

- Stamp compass and inkpot in Early Espresso and cut out with World Map dies.
- Stamp sentiment on Cinnamon Cider (8 X 5cm) in Versamark and emboss in Gold. Cut out using smallest Rectangle stitched Die.
- Stamp feather in Versamark on Cinnamon Cider, emboss in gold and die cut.
- Stamp 'Thank you for being part of mine' on right top of larger piece of Very Vanilla in Versamark and emboss in gold.
- Using gold embossed map DSP cut out a Rectangle Stitched Shape with 5th largest rectangle. Glue rectangle in place on left side of the embossed Very Vanilla.
- Layer 2 – Using World Map embossing script die, place in centre of Layer 2 CS and emboss. Then using the repeated pattern die, die cut the top of the CS. Sponge with Crumb Cake and add ribbon and buckle to lower part of the layer.
- Place compass, feather and inkpot in place on this layer. The sentiment will go on bottom left.
- Using the Stitched so Sweetly die, I cut the Brass foil to layer under the sentiment. I had to make it a little shorter by doing a second cut on one long side. Glue in place using dimensionals

Putting it together

- Glue Layer 2 on Layer 1 and place on front of card. Add trinkets to corners.
- Glue the other piece of Very Vanilla inside the card.
